ORCHESTRA GIVES PRIZES FOR BEST POSTER DRAWINGS

Advertising Next Symphony Concert in Town Hall-February 9th.

The Arlington Community Symphony Orchestra, conducted by Leonard Wood, which will give a concert in Robbins Memorial Town Hall at 8:15 p. m., February 9th, has awarded the first prize of \$5.00 for the best design of poster advertising the concert to Miss Constance Tortorici. The second prize of \$2.00 goes to Miss Marcia Weatherill, and the Misses Katheryn Whitcomb, Mildred Zwicker and Marcia Tenney will each receive \$1.00. The other seven competitors, Misses Mary Tee, Marjory Pitman, Marion Ingebretson, Helen Richardson, Nancy Ross, Winifred Axelby and Gertrude Wade, will. each receive a ticket to the concert. All of the young ladies taking part in the competition attend the Arlington High or Junior High school, and are students of the Guildhouse Art Classes and Laboratory Theatre, 691 Massachusetts avenue, directed by Miss Isabelle Conklin and Miss Betty Pierce.

The prizes will be distributed in the Town Hall on Monday evening, February 1st, at which time there will be a rehearsal for the concert.

BOSTON MARKET GARDENERS ASS'N CELEBRATES HERE URGES RESTORATION OF

Organization Founded in Arlington Fifty Years Ago.

Former Selectman Arthur P. Wyman of Arlington was the toastmaster at the semi-centennial celebration and banquet of the Boston Association Gardeners which met in Robbins Memorial Town Hall Tuesday evening.

The celebration was held in Arlington because, as pointed out in O. E. S. INSTALLS the historical sketch presented by M. Ernest Moore, the association was born here fifty years ago in a meeting held at the home of W. H. Allen. Both Messrs. Moore and Wyman are past presidents of the association and present members of the executive committee. Representative Nelson B. Crosby of Arlington is first vice-president.

Rev. John Nicol Mark, minister of the First Parish (Unitarian) Church of Arlington, was one of the after-dinner speakers, and he presented "A Little Bit of Scotch," much to the amusement of the big assembly.

Success of Local President's Ball Already Assured

On Monday night, January 25th, perfecting plans were adopted by the Arlington Infantile Paralysis Committee to assure the social and financial success of the President's Ball to be held in Arlington Memorial Town Hall on Saturday evening, January 30th. The generous cooperation of all

participating in the event is a gratifying commentary on our citizens. The sale of tickets will, in the opinion of the ticket committee, exceed that of a year ago. The difficulty lies in reaching all who are willing and desirous of purchasing tickets. That condition is largely adjusted by the several places at which tickets may be purchasedat the Arlington Visiting Nursing Association, the offices of Town Clerk; Henry E. Keenan, Arlington Center; John D. O'Leary, Arlington Height's, and at Browne's Drug Store, East Arlington. The members of the committee have been untiring in their efforts to secure results which are directed to one goal, the relief of those suffering from infantile paralysis and who, without regular treatments, which ial recognition is paid by the committee to the generous space given

Miss Hallisey's Miniature Minstrels Monday Night

Monday evening, February 1, is the date of the "Miniature Minstrel and Cabaret" by the pupils of the Laura A. Hallisey Dance Studios of Arlington and Cambridge, at the Junior High East auditorium. With a cast of seventy-five in the first part, a glamorous display of costumes will be shown. Eighteen youngsters, dressed as farmer lads and lassies, will do a comedy hick number. A line of twenty-three Front Row Girls will extend across the stage, each with her colorful tambourine. Of these many are local girls, i. e. Dorothy Leary, Gloria Allen, Ursulle Gallerani, Lorraine Martin, Mary Kelly, Margaret Lennon, Mary Stygles, Eleanor Clifford and Marjorie Duffy.

Two young ladies who are especially "De-lovely" will render that song-hit and dance, the Misses Doris and Barbara Beasley. A new star is discovered in little Paty Lou Kelley, 4 years old, who does a rag doll acrobatic dance, rising from a heap of colorful rags to a speedy acrobat and then returning to the remains of a broken dolly. Also her impersonation of Mae West is remarkable for such a youngster.

Little Marilyn Swanson, a study in black and white, will sing and dance to "When Did You Leave of ceremonies. He also is a recent

CHURCHES OF CHRIST, SCIENTIST

"Love" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world, on Sunday, January 31.

The Golden Text is: "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing" (Zephaniah

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Ye have heard that it hath been said, Thou shalt love thy neighbor, and hate thine enemy. But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you; That ye may be the children of your Father which is in heaven: for he maketh his son to rise on the evil and on the good, and sendeth rain on the just and on the unjust" (Matthew 5:43-45).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "When the human element in him struggled with the divine, our great Teacher said: 'Not my will, but Thine, be done!'-that is, Let not m. LOCAL SEXTET PLAYS FIRST REAL HOCKEY OF SEASON

But Is Defeated by Stoneham, 5 to 4, in Furious Battle. Locals Unable to Stop Thompson. Fight Desperately to Save Game in Closing Minutes.

By J. Leo Donohue

Playing its first game of real good hockey this year, the Arlington High School hockey team came out on the short side of a 5 to 4 score with Stoneham at the Garden Saturday. 4,000 fans of the Greater Boston Interscholastic League witnessed the greatest schoolboy hockey spectacle ever seen at the North Station rink. Arlington, in the pre-game dope was conceded the best chances of knocking off Stoneham, which they all but did. Cliff Thompson, as usual, was the big cracker in the Stoneham fireworks, scoring four out of the five Stoneham goals.

It looked pretty bad for Arlington as the first period closed, when they were trailing, 2 to 0. Joe Flores led the Arlington attack in the second session, scoring two successive goals to tie the score. Wally Babine counted shortly after to put Arlington in the lead, but Stoneham clinched. Larry Cousens gave Arlington another one goal lead in the same period, but Stoneham, with Thompson dominating, kept a-comin'.

The first period opened with Bill Dutton, local goalie, in hot water from the start. Stoneham kept five men at the Arlington line nearly all the period and it was very hard to clear the puck out of danger. Thompson managed to pass Dutton twice before the period was half over, but after that Stoneham found it very difficult to even get as far as the Arlington blue line.

Flores cut loose with a long shot when the second period was but three minutes old. It rolled underneath Donaghey's legs for Arlington's first tally. This unexpected recovery on the part of Arlington quite overcame Stoneham, and set up another Flores goal, in which Chipman had a helping hand. This pair, incidentally, were playing their second consecutive game without relief. With the score at 2 all and Stoneham still stunned, Arlington staged a five-man-rush into Stoneham territory. Babine lashed a hard shot at Donaghey that skidded for the right-hand corner of the net. Donaghey stepped over to make the stop when the puck hit Eramo's stick and bounded into the net, giving Arlington a one-goal lead. After this goal, Stoneham had apparently come out of its coma and realized that they were slowly but surely being demoralized. Morrisson picked up the puck at his blue line, skated into local ice and drilled Dutton with a scorcher that he was unable to see let alone handle. At this point Cliff Thompson and Johnny Chipman were sent to the penal quarters for threatening each other with upraised sticks (playful lad- WALTHAM 22 — ARLINGTON 13 dies). With Thompson off the ice the local outfit saw its opportunity to take a lead. Several repeated goal rushes were frustrated when Arlington sent its remaining forces up the ice and finally Larry Cousens let go a line drive at the new goalie. Cousens started this shot from his own blue line. The goalie must have thought it started from Scollay Square, because he was still looking for it when it was neatly tucked away in the twine behind

Thompson returned to the ice and set right to making up for what he had lost during his leave of absence. He took a goal-mouth pass from Hurley and drove it past Dutton for the tying goal just one minute and a half after Cousen's tafly. Both teams fought desperately to score again but the bell was too fast for them. Towards the latter part of the period Dutton was charged with throwing the puck, which called for a penalty shot. for this attempt. The shot was the half, 6-5. low and hard but Dutton turned it Ruffing shot a basket after one aside with the greatest of ease.

The third period found both teams tense and eager to go to get the winning goal. Near the middle of the period Thompson picked Gray, Huff, F. A. H. S. Basketball Team Suffers 6th Straight Defeat

The Arlington High basketball team suffered its fifth straight defeat of the season and its third Suburban League game at the hands of Rindge Tech, 19-17, at the High School Auditorium, last Friday night.

Clarke opened the scoring by sinking a push shot to place Arlington in the lead. Duest tied the score with a shot from the bucket, but Mike Burke sent a long, looping shot swishing into the basket to place the local team in the lead again. The score was tied by Munroe, who sunk two foul shots Letters Are Awarded as the period ended, with the score

Arlington was able to get only three points in the second period, a long shot by "Mush" Corbett, and a foul shot by Win Oliverio. Rindge garnered ten points in the same time.

Only five points were scored in the third canto, three by Rindge and two by Arlington.

In the final period Arlington managed to score eight points as against two for Rindge. In the final minutes of play, the Rindge coach took his entire first team out of the game and stuck in his second team. Immediately "Mush" Corbett scored two baskets in less than a minute. The Rindge coach quickly returned his first team to the game before any more damage Thompson. could be done.

Staging a brilliant scoring spree in the final period, the Waltham High basketball team defeated the Arlington High quintet, 22-13, at the Waltham High gym, Tuesday afternoon, in a Suburban League game. The local aggregation has now met with six straight defeats. The game was a nip and tuck af-

fair until the final period, when Waltham went on its rampage. "Mush" Corbett opened the scor-

ing with a push shot in thirty-five seconds. This was the only field basket in the first period. Foul baskets were scored by "Marty" Powers, who scored two; "Shorty" Thomas for Arlington, and by Beaver for Waltham. Arlington led at the end of the first period, 5-1. In the second frame, the Red Ruffians scored but one point, a foul shot by Corbett, while the Watch City scored four, foul shots by Beever and Larson, and a long shot from the right side of the Thompson was Stoneham's choice court by Ruffing. HIGH SCHOOL GIRLS BEAT READING AT BASKETBALL

The Arlington girls' basketball team defeated the Reading High girls in two out of three of the inter-class games at the Arlington High gym last Friday afternoon. The Arlington Seniors won easily, 23 to 12; the Arlington Juniors defeated the Reading Juniors, 7 to 4, and the Reading Sophomores won, 10 to 9, in the most exciting game of the afternoon. The Arlington Sophomores led, 8 to 4 at the half, but the green-clad Reading girls crept up in the final canto to win by one point. Barbara Swanson played a good game at center for the Arlington girls.

The Arlington Seniors were never threatened by the visitors. "Dimples" Riley scored ten of the The summary of the Senior

BRADSHAW FRIENDLY TO HOLD GUEST NIGHT

Rev. Grady D. Feagan, minister of the First Baptist Church of this town, and who spent last summer in a dangerous pilgrimage in Palestine, will address the members of the Bradshaw Friendly Union of Orthodox Congregational Church at it's Guest night, Monday, February first. Mr. Feagan's address on "Major Changes in the Moslem World," will follow a supper served at 6:30, given by the Mystic Side Group, chairmanned by Mrs. Earl S. Clark. Soprano solos will be sung by Mrs. Emil Olsen of Arlington.

FORTY-FIVE YEARS

After next week it will have been forty-five years since Dr. Frederic Gill came to Arlington as pastor of the First Parish (Unitarian) Church. This fact will be observed by the church of which Dr. Gill is now pastor emeritus with a special service in the spring.

Membership Contest At Baptist Men's Class

The Men's Bible and Social Class of the First Baptist Church started last Sunday an intensive drive for new members. The membership committee hopes to reach a goal of 200 active members by Sunday, February 28, when the contest ends. It seems certain that this goal will be reached and passed as last Sunday there were 145 men present.

In order to stimulate interest, the Class has been divided into 2 sections, known as "the Littlefields" and "the Everbergs."

Arthur Littlefield, a comparative new member of the class, two weeks ago hurled a broadside challenge to any man in the Class that he would bring more new members in the Class than any other man in the Class. This challenge was taken seriously as on the previous Sunday Mr. Littlefield brought in ten new members. Carl Everberg accepted the challenge for the "old timers" and the contest was on. The Littlefields got away to a lead last Sunday, but Everberg vows he will exemplify the Viking spirit of his Scandinavian forebears and swarm the Littlefields under.

The next monthly social comes Tuesday, February 9, and will be known as "Swedish night." Carl Everberg, aided by a committee composed of all the men of Swedish ancestry in the class, will put on a real Swedish supper and the entertainment for the evening will be 100% Swedish. This Class is a live wire group and plans for two more socials are already under way. A father and sons night in March, Show in April.

SOMETHING IN THE WIND

We understand that the meeting of the Chamber of Commerce to be held next Tuesday evening, will be an exceptionally interesting one. A number of art students at Arlington High School have made sketches showing Cyrus Dallin's statue of Paul Revere in the middle of a widened Massachusetts avenue at a point opposite the high school. Slides of these sketches have been made and will be thrown on the screen so that all present will have a hand in choosing the best representation. The creator of the winning sketch will be given a cash prize.

The sketches have come from a suggestion that the Dallin statue should be placed in Arlington, where Revere stopped on his way to give alarm of the British approach to Lexington and Concord. Mr. Dallin, himself, will be present at the meeting to say a word, and A. J. Philpott, famous art critic and resident of Arlington, is expected to give a talk on Paul Revere. The general public is invited.

In other words, there is something in the wind-something important. We do not believe that we go far astray when we see the public-spirited imagination of Former Selectman Arthur Birch behind it all. It is quite obvious that Mr. Birch, who is in charge of the meeting, has something very definite in mind. And when he conceives an idea, something is quite likely to happen, even though it is a long time in consummation. To give one example, years ago Mr. Birch started his labors toward a post-office building for Arlington. He did not relax for a minute until the building was a fact.

After three months residence in Maine, Lew Bowe says that the chief difference between Waterville and Arlington is the fact that in Maine a purchaser gets no matches with a package of cigarettes. "You're supposed to light up with a flint and steel," he says.

Harry Baker, candidate for assessor, has one for the books. He says that his dentist found three cavities in his four-tooth bridgework the other day.

We read that one of the tests of popularity is to decide whether or not one has a fund of interesting gossip to relate. So don't be too hard on us.

We had the pleasure of meeting Maurice Frank, chief exponent of "The Seeing Eye" school for the blind at Station WORL after our own weekly broadcast last Friday morning. Mr. Frank himself is blind, but he does not let that fact influence his terminology. When asked if he had known about the articles about him in the various Boston papers, he said, "I didn't see the one in the Traveller, but I did see the Globe article. Good picture of my dog, didn't you think?"

The members of the Cambridge School Committee must be marvels of efficiency. We understand that they conferred last Sunday night and decided that the schools should be closed Monday morning because of bad weather. As it happened the sun was shining before it was time to go to school.

We are informed that a group has actually organized at the Heights with the avowed purpose of eventually driving the Ring Sanatorium out of Arlington. Well, it takes all kinds to make a world—not a particularly original remark, of course, but all we can thing of at the moment.

Briefs

Premier Blum "in full accord with Great Britain" is prepared to give Germany economic aid if "Germany will manifest on her part a will to co-operate." It is hoped that Germany will pay for this aid by satisfactory participation in peaceful settlement of European problems.

Greece has made a new financial agreement with Germany. Three per cent Greek Treasury bonds will be used by German firms to create credits to facilitate trade. An exchange of products will result.

The Hirota Cabinet in Japan is out. Military domination and fascist tendencies are responsible.

Karl Radsk hangs himself by his amazing confession to turn his country (Russia) over to the enemy in the event of war. As did the 17 already executed for treason, Radsk seemed to relish his confession.

The heads of Christian churches in England and the United States have started a fund to relieve suffering in distressed Spain. A recent traveller returned from Madrid says "Ninety per cent of the inhabitants are against both the attackers and the defendents." The churches would put an end to the wide-spread inhumanities.

The Ohio River valley is beset by flood, fire hunger and disease, the worst in our history.

The Pacific coast maritime strike which began October 29, 1936, has cost \$10,000,000 per day in business.

The General Motors strike is costing \$1,-000,000 per day. Secretary Perkins' invitation for another conference to negotiate a settlement (the first failed) has been refused by President Sloan "as long as the union's representatives continue to hold our plants unlawfully." The General Motors claim that 79 percent of its employees have protested against the interruption of their "right to work."

The C. I. O. group invested \$400,000 in the Roosevelt cause in the recent election. Mr. Lewis had the bad taste to remind the President of it. The President is not embarrassed.

Striking electrical workers in Chicago turned off street lights and raised 38 of the city's 51 bridges across the Chicago River for three hours.

Faneuil Hall was jammed on Sunday when Dr. Francis E. Townsend described his plans to force his old-age pension plan through the present session of Congress. The doctor denounced the presence of a million aliens on relief. He urged that they be sent "back where they belong." Hear! Hear!

But the Lewis group is embarrassed at the little progress reported by the organizers working in the steel industry at Worcester. The H. H. Brown Shoe Company closed its plant when 100 employees affiliated with C. I. O., with the result that a few days later workers were willing enough to return to work. Has Lewis played his Ace when he should have finessed?

Howard Hughes on January 19 set a West-East flight record: 7 hours, 28 minutes and 25 seconds.

Henry Ford has placed his 25,000,000th car on permanent exhibition.

President Roosevelt retains all members of his cabinet without the formality of their submitting resignations. It has not happened before.

Representative Robert Luce of Massachusetts declares the President's appeal for judicial co-operation an affront to the Supreme Court. He quotes Oliver Wendell Holmes: "the criterion of constitutionality is not whether a law is to the public good," and adds that public opinion cannot enter into account in decisions of the court.

P. A. O'Connell, president of E. T. Slattery Company, states that in his opinion, reduction in real estate taxes and the resultant sales tax will impede distribution, reduce consumption, and cause unemployment which will stop economic recovery.

W. P. A. musicians and actors must pass a merit test. Federal arts projects workers receive from \$67 to \$103 per month. The lowest W. P. A. wages run from \$44 to \$60 per month. A violinist must prove he should not be digging ditches.

Buyers stood in line all night recently at Miami Beach to purchase lots. Another Florda boom? Publicity agents say not.

Governor Barrows of Maine headed a delegation which interviewed the President on Saturday. "What about Quoddy?" was the question propounded. Maine recalls the President's enthusiasm for the project; she would have him include this on his "must" legislation list.

The Boston police are out to get the "slot machine." It is a racket.

New York State will look into the question of abolishing the State Senate and Assembly and substituting a one-house legislature.

PAST PRESIDENT TALKS TO WOMAN'S CLUB

The speaker at the January 21st meeting of the Arlington Woman's Club was Mrs. Robert B. Parmenter, its last year's president. Colored slides and motion pictures in color taken last summer on a cruise to the Leeward and Windward Islands of the West Indies furnished the material for her travel talk, "Romantic Isles of the Caribbean". Among the interesting pictures were those of rare and beautiful flowering shrubs and trees, also the birthplace of Alexander Hamilton and the only home outside the United States to be visited by George Washington. Interesting pictures of street and market scenes gave glimpses of native life and these, together with views showing the beauty of the mountains and the sea, combined to give a delightful 'cruise' to the audience.

Members of the Arlington Garden Club and nurses of Arlington were guests at the meeting and joined the club in giving Mrs. Parmenter a cordial welcome.

Judge James P. Parmenter

(At the annual meeting of Symmes Arlington Hospital, held Monday evening, the following resolution was adopted.)

WHEREAS, death has taken a lifelong resident of Arlington, the Honorable James P. Parmenter, who, during his long life not only rendered conspicuous service to the Commonwealth, but also, quietly, efficiently and freely gave of his services to many causes in his native town. Among others, the Symmes Arlington Hospital has for many years been the grateful beneficiary of his wise counsel and his gracious friendship, he having served as a Trustee of said Hospital from November 25, 1912 until the time of his death.

Now Therefore, the Trustees of said Hospital, assembled in meeting this twenty-fifth day of January, A. D. 1937, desire to take such action as is in their power to perpetuate the memory of this man, their associate and counsellor, and

Successful Theatrical **Ball Is Indicated**

All indications point to a very successful Theatrical Ball for the Friends of the Drama on February 12th. The Ticket Committee is meeting with very successful results in their efforts and already people from other towns are sending in their applications. The sub-Brown, secretary. YOUR ¬OMMUNITY HEST

This town is growing up. We have approximately 40,000 people now in Arlington. And like all growing communities, we are having growing pains. We have poverty in Arlington-and lots of it. Some of it is on your street, whether you know it or not. We have sickness in Arlington. It is particularly prevalent this winter, to be sure, but the point is that the larger we grow the more sickness we may expect to have.

There is but one way of doing what must be done. That is to make these problems the concern ing a part of the committee in entertained by Dr. Malcolm Finlay of the entire community rather charge of the bridge, whist and tea of the Judge Baker Guidance Centhan to confine them to a limited to be conducted at Marycliff Acad- ter. few who may be particularly generous or kind hearted.
